1857 TOKAJ

Tokaji Furmint „Zomborka” 2017

TERROIR

Mezőzombor - Zomborka vineyard

The soil is typically brown forest soil, but there are loess spots in it. The subsoil is rhyolite, which is almost completely covered with rhyolite tuff.

VINEYARD

The vineyards were replanted between 1999 and 2002, using 1,8 m row spacing and 0,8 m between the vines according to the modern grape growing technology. We use 2 bud spur-pruning and the yield control is 1,5 kg / vine. All of our vineyards are under organic cultivation since 2009.

VINTAGE

After a long time, we had a real, continental January. The temperature often decreased below minus 10 degrees, though precipitation was very low. The spring temperature has slowly, gradually risen and May was still cooler than usual.

HARVEST

The rain in September was favourable. The raw material of dry wines was picked with careful sorting, because the noble rot appeared quite early on the bunches. The quality of the grapes was excellent. Perfectly mature berries were picked, which did not have too high sugar content. Ripe, crispy acids are coupled with pure, fruity flavour in the dry wines.

TECHNOLOGY

The must was fermented in 500 L new oak barrels at 14-16 °C by selected yeast. The wine was aged on fine lees for 7 months in the same barrels, and stirred occasionally.

Date of bottling: 05th July 2018.

VARIETY

100% Furmint

WINE DESCRIPTION

Besides the notes of the barrel aging, aromas of apple and cinnamon are noticeable in its scent, with slightly sweet, vanilla notes.

Thanks to the fine-lees technology, the sip is creamy which is enriched by the lively acids of the Furmint. The new barrel aging ensures a delightful, long finish.

DRINKING TEMPERATURE

12-14 °C

FOOD PAIRING

It is recommended for spicy or smoked meat dishes or seafood.

ANALYTICS

Alcohol: 12 %

Residual sugar: 5,4 g/l

Titrateable acidity: 6,2 g/l
